ONE-TIME LOSERS SELWYN HOUSE WINS PROVINCIAL TOURNAMENT

LENNOXVILLE (RF)

Forward Mike Verchere scored two goals and tournament MVP Mike Avedesian scored a goal and assisted on two others as Selwyn House won the Invitational Provincial High School Hockey Championship Tournament Saturday, beating Massey Vanier 4-1 in the title game.

John Mulder scored the other Selwyn House goal while Rob Begrand answered for Massey Vanier, for the second time in two years losers in the provincial final.

"Selwyn House is a well-disciplined team and they showed it Saturday," tournament convenor Cliff Goodwin said Monday. "Massey Vanier never quit or anything but Selwyn House was better."

"When Massey Vanier made it 3-1 it was a matter of who would get the next goal. Selwyn House got it and that was the difference."

Selwyn House, which breezed through the tournament with a perfect 4-0 won-lost record, took control of the game in the opening period by jumping into a 3-0 lead on goals by Mulder at 9:08, and Verchere at 11:50 and 14:07.

Massey Vanier got back to 3-1 on Begrand's slap shot at 7:49 of the second period but Avedesian sealed the win just 31 seconds into the third with his ninth goal of the tournament.

Avedesian added eight assists for 17 points in the four games and was the runaway choice for the C.F. Carson trophy as the tournament's MVP.

"We were prepared," Selwyn House coach Steve Mitchell said. "We didn't make the playoffs in the GMAA (Greater Montreal Athletic Association) and we wanted to prove to our critics that we're better than that."

Mitchell's team was not picked as a pre-tournament favourite going into the weekend even though it posted a 19-4 record after Christmas.

"Some of our veterans really carried us down through the stretch and the reason we didn't make it into the GMAA playoffs was because we went 0-7 in November," said Mitchell.

The School was founded in 1908 by Mr. Algernon Lucas, a graduate of Selwyn College, Cambridge, to educate boys to 13 years of age. Its first location was in downtown Montreal, on MacKay Street, and in 1930 it moved to more spacious quarters on Redpath Street. Upon the death, in 1945, of its fourth Headmaster, Mr. Geoffrey H. Wanstall, the ownership of the School was transferred to the Selwyn House Association, a newly created group of Old Boys and interested parents. In 1960 the building housing Westmount High School was acquired and the School moved into these, its present quarters. The relocation not only provided expanded, first-rate facilities, but enabled the School to offer instruction beyond the junior high school level, through to matriculation and university entrance. With the acquisition of a new building in 1985, the School increased its floor space by 50 percent while remaining committed to maintaining current enrollment of 516 students.

Selwyn House seeks to prepare boys of good intelligence, who exhibit good citizenship, for the imaginative, reasonable and responsible exercise of their talents and facilities.

Again, this year we extend a warm welcome to all participants, players' families and friends at the Fourth Selwyn House Senior Invitational Hockey Tournament.

It is our hope that all will enjoy and benefit from the friendly competition. We look forward to the display of individual and team play attended by exemplary sportsmanship.

Please accept our best wishes for a Happy Holiday.

COACH - TOM NICOLL

Tom Nicoll graduated from Verdun High School in 1967, and in 1972 resumed his studies at Loyola College in Montréal. Tom continued with graduate work in political science at McMaster University in Hamilton, Ontario, and completed his M.A. there in 1974. Following this, Tom lectured at Montréal's Concordia University.

From 1977-1980, Tom taught English and history at Presentation High School, a private boarding school in Montebello, Québec. In 1980, Tom was hired by Mr. Alexis Troubetzkoy, a former headmaster, to teach English and history at Selwyn House, and to work with the school's Athletics

Department. Now in his ninth year at our school, Tom heads the History Department and contributes greatly as an associate coach in the Senior Football and Senior Hockey programmes.

Tom's wide experience in hockey and football goes back to the Verdun days. In 1967, his Verdun High School team won the city championship in hockey. After coaching in the Verdun Minor Football system and directing the Dawson Boys' Club in Verdun, Tom turned his efforts toward coaching rather than playing hockey competitively. In 1975-1976, Tom worked in Verdun as an assistant coach to Ron Lapointe (now Coach of the Québec Nordiques) with the Verdun 'AAA' Midgets, and had the pleasure to coach current N.H.L. stars Denis Savard and Denis Cyr to the Lac St. Louis District championship. While at Presentation High School, Tom initiated and developed their hockey programme.

Since 1980, Tom has worked at different levels in Selwyn House's football and hockey programmes. His work as Defensive Coordinator has been a major ingredient in the success of the school's Senior Football Team. In 1986, Tom joined the Varsity Hockey Programme specifically to help develop the skills of our young defencemen. Tom, being one of very few Québec residents who support the Detroit Red Wings, understands the real meaning of patience; however, after only one year of conscientiously preparing and developing our players on and off the ice, surprising dividends appeared last season. The team compiled an overall record of 24 wins, 12 losses, and 2 ties on its way to winning the Provincial High School Hockey Championship held at Bishop's University.

Tom's dedication, honesty, sound judgement, and steadfast ability have given our programme tremendous balance, and he has played a notable role in the turnaround of Selwyn House's play, now respected province-wide. From a personal standpoint, it is always a pleasure to work with a person who cares, perseveres, backs his beliefs, and exemplifies enthusiasm and quality in his teaching. Thanks, Tom.

Varsity Coach

Gryphon Captain - Eric Jabal

Age: 17, Nuns' Island, QC

Eric is a three year veteran of our Varsity Hockey Programme. Eric's strengths are his tenacious checking and strong skating ability. Eric has matured into, a complete hockey player. He has a better than average shot and his work along the walls of the ice surface have helped his linemates offensively. Eric plays on the majority of Selwyn's Penalty Kill and Power Play teams. His leadership and play will be sorely missed next year.

WHAT'S WRONG WITH THIS PICTURE?

Look closely... you may never see this again.

This is an Itch family. Modern, active... they're all into sports. So it just makes sense that they're all into Itch.

Itch protective products are serious about injury prevention. That's why Itch is today's household word for state-of-the-art face masks, raquet sport glasses, officially approved ringette equipment, swimming goggles and gear...

So what's so unusual about this picture? Only that you rarely see an Itch family... standing still.
